SPENCER SCOTT

ADDICTED TO CLIT DIDDLE

Spencer Scott wears her mesh bra and panty set even to church—because it's so holy! Spencer groans at our corny joke, and for a moment we fear the gray-eyed beauty is going to storm off the photo set. But when we show her a pretty pink glass dildo her eyes light up like it's Christmas morning. "Give me that! I need to get off," she tells us. "And keep your yap shut while I'm playing with myself. I don't bother you when *you're jerking off*." Well, you're often on our minds when we have our dicks in our hands, Spencer. But we'll be respectful and zip our lips—while you pry open yours...

KENNEDY LEIGH & SHAE SNOW

OLD FRIENDS, NEW LEZZIES

Kennedy Leigh and Shae Snow were grade school friends who recently reconnected via social media. Imagine Shae's surprise when her friend announced that she's become a hardcore lesbian in recent years. "Golly, lesbianism?" Kennedy is shocked and curious. "Gee...I've always wanted to give that a try..." Shae whisks Kennedy away to her hipster bedroom faster than you can say, "Panty dropper." Shae strips Kennedy nude and introduces her to the lesbianic arts. Kennedy thinks her friend's pussy tastes like fresh sushi, citrus, and newfound freedom. Isn't the Internet great?

AUGUST AMES

**PET MY
BALD PUSSY**

The colorful streaks in August Ames' hair aren't just a fashion statement—they have a deeper social meaning. "The blonde streaks show my solidarity with the plight of wheat farmers, while the pink streaks show that I support gay rights, especially for bisexual and lesbian women who have difficulty achieving sexual climax," she explains, plowing her pussy with a glass dildo out on the backyard patio. Wow, we didn't know hair could be so confusing, August! What's the meaning behind your shaved pussy? "I'm raising awareness for hairless cats that need loving homes." Of course. We'll adopt your pussy, August.

A Torrid Tale Of Sex, Drugs &

SATURDAY MORNING THE *POLICIA MUNICIPAL* RAIDED MY KITCHEN, ONLY TO FIND A TOTALLY NUDE, ASTONISHINGLY BEAUTIFUL 18-YEAR-OLD GIRL WITH A PIERCED BELLY BUTTON INSIDE MY REFRIGERATOR. THANKFULLY, SHE WAS STILL ALIVE. FOR SOME REASON, THIS TROUBLED

In the hierarchy of South of the Border state power, the *polica municipal* have the comparative authority of a legal suggestion box. Only the greenest of gringos pays them any mind or bribes.

Not to imply that the *policia municipal* go roving through apartments at all hours searching for infractions. Honestly, this was

authentic South of the Border food and how to make authentic *mezcal* and *pulque* (Mexican beer) for the hipster restaurant and bar they were planning on opening outside Dallas, Texas.

Of course, given the locale, they found it extremely difficult cooking anything given the rudimentary kitchen that had come

All I had to do was mention the word “fuck” and she’d instantly affect a doggy-style position on the bed, arching her perfectly round ass high into the air.

THEM. BUT THERE WAS SOMETHING FAR MORE UNSETTLING: THIS WOMAN WAS ONE OF MY MAIDS AND SHE WAS ON THE CLOCK.

NOW, WHEN I SAY SHE WAS *IN* MY REFRIGERATOR, I MEAN JUST *THAT*—SHE WAS ACTUALLY SLEEPING IN IT. THE FOOD WAS SPOILING ON MY NEW MARBLE COUNTERTOPS AND SHE WAS LITERALLY INSIDE MY FRIDGE, FOR LACK OF A BETTER WORD, CHILLIN’. HER NAME WAS MARIA AND SHE WAS ONE OF MY MAIDS. LOOKING BACK, I THINK I HAD FOUR OR FIVE OF THEM AT THE TIME.

BUT THE *POLICIA*, APPARENTLY, WERE CONCERNED.

*This is a work of fiction. Names, characters, businesses, places, events and incidents are either the products of the author’s imagination or used in a fictitious manner. Any resemblance to actual persons, living or dead, or actual events is purely coincidental.

the first time they’d ever gotten past the front gate of my compound.

Technically, according to the police report, Maria had been found by the *mucamas* (maids) who clean my kitchen floor every few days as part of my rent—my maids’ maids, so to speak.

Electric Eye

My apartment is pricey, 5,000 pesos—over \$270 per month, including electricity, Internet and cable, but no air-conditioning!

My landlord, Edgar, is usually pretty good with his selective blindness, but it all goes to shit if he suspects someone on the property is wasting electricity.

So when he became aware that there was a hot, naked *senorita* chilling in my fridge, with the door open, he went loco.

The former tenants of my apartment were a gay couple—a pair of gourmet chefs who lived here for the summer wanting only to learn how to cook

with the apartment. You can’t achieve culinary bliss without an all-stainless steel, restaurant-quality, state-of-the-art kitchen.

And they didn’t mind paying for it.

When they finally departed for the States, my landlord couldn’t sell the unused deep freeze or the \$900 Hammered commercial juicer that wouldn’t fit in their carry-on luggage and so it was left behind—for me. The only downside was that all of these cooking gadgets used up a lot of electricity, even when they weren’t in use. All the blinking LED lights drove my landlord crazy. So everything remained unplugged. One day I’d actually left the kitchen while cooking a steak and returned to find that my steak had stopped sizzling and the stove unplugged. The kitchen was in a separate part of the building, just a bulletproof door down from the entrance to my abode.

South of the Border the well to do live behind walls (with broken shards of glass

glued to the top to discourage thieves from scaling them). There are also wrought iron riot gates, and a series of secondary and sometimes tertiary dead-bolted doors. At night it takes six keys for me to get into my apartment.

The wealthy trace their light skin and pedigree back to old Spain and don't tend to mix with regular folk. They go to only the best hospitals, send their kids to affluent private schools, drive to Sam's Club to do their shopping, and rent out entire restaurants when they have parties to celebrate the marriages of their children or the birthdays of their *abuelas* (elders).

Maids To Order

Evidently, my maid had seen fit to remove all the food and shelving from the refrigerator so she could fit inside. The real maids had found her sitting in there, the rest of her body splayed out, a high-heel shoe dangling gingerly by merely a toe. When they finally removed her, she had shelving marks running down the entire length of her back. "The help" had quickly brought her a white bedroom sheet, which she quickly fashioned into a sexy Cleopatra-style toga before first inquiring what she was doing in my refrigerator.

"I work for the *guero* (fair-skinned person)," she'd said. "I'm only trying to please him."

In fact, she was partially telling the truth—the naked girl was one of my weekday maids, or *gatas* (cats), as they're sometimes called. She was barely five

feet tall, but she was more than 5'7" in the new sparkly heels I'd bought her as a hiring bonus. For most South of the Border inhabitants, the first love of their life—after, of course, their husband's bent penis—is their *casa* (house). It's unmistakably this way in countries like this, where judging by the cars on the streets and the people attending church, it's still very much 1950. So this is why, I fathomed, they brought Maria to me and presented her like a dutiful lynch mob.

Admittedly, I didn't immediately recognize her in the daylight, but I did recognize her tits. Alexandra had the darkest, most perfect black areolas I'd ever seen with nipples that instantly popped up as soon as she was excited.

All I had to do was mention the word "fuck" and she'd instantly affect a doggy-style position on the bed, arching her perfectly round ass high into the air. Her ass was so perfect that it seemed to defy gravity.

She told me her only real interest in life was marrying a wealthy husband so she could effectively raise a brood of children, teach them all how to play soccer, and then sit around all day watching *telenovelas* (soap operas) while slowly growing fatter. After all I'd seen her mom. Somehow, on less than \$3 a day she'd managed to become larger than a Volkswagen Jetta.

Gringo Abroad

I'm not a rich man—far from it. Actually, down here I subsist below the U.S. poverty level, but compared to my friends who work for 70 pesos per day (about \$4.25 U.S.), I'm considered loaded. In fact, some months I get by on as

little as \$300 and still have enough coin to tip my sexy maids.

I'd left Williamsburg, Brooklyn in anger way back in 2002 after my landlord, without warning, raised my rent from \$276 dollars to \$676 per month for my one-bedroom apartment. I'm told that apartment now rents for over \$4,000 a month, plus "association fees".

I'd first met Maria and two of her friends at the all-you-can-drink mescal festival (*La Feria de Mezcal*) and had hired her on the spot (That is after drinking an entire bottle of artisanal mezcal that sells for \$300 in the States, but a mere drop in the bucket, \$6 here) when she noticed that I had dropped my wallet and keys, picked them up, and returned them to me. Of

course, she made a point of showing off her exquisite ass.

So I invited her to come live with me in my humble dwelling and join my crack staff of X-rated cleaning women—or, more accurately, the group of lazy women who slept in my bed and alternated fucking me for soda money.

"I don't like cleaning," she said. "I'm not good at it."

"I don't even like *pretending* to clean."

First, I'd thought about leaving a trail of 20 peso notes from the Mezcal Fest back to my apartment so she could follow.

Eventually, I offered to hire a maid *for her*.

For the record, I get by teaching English under-the-table at schools run by *harridans* (angry women) and by helping American and Canadian tourists at the local bus stations or central square score pot. Seeking out recreational drugs South of the Border is not an endeavor the casual tourist should even consider. Not only will the misguided adventurer get ripped off and most likely murdered, but even if he does score the dealer who sold him the "cheech" will almost certainly contact a police friend (for a nice fee) and have the gringo picked up quickly and arrested for possession of "dangerous narcotics". Drugs may be cheap down here, but life is even cheaper, thanks to the bloodthirsty cartels.

When the *policia* finally decided to escort Maria to my front door, I knew I'd have to get out of bed and deal with the whole fucking mess.

The *policia* really didn't want to be bothered, any more than me. Later, I was informed they had interrogated her pretty harshly only because my landlord had insisted she was a thief and had stolen something.

"She stole what? Where did she put it?" asked a policewoman I recognized as my friend's older sister, Flavia.

"She's a fucking electricity thief," my landlord countered.

"She's a bad woman. A witch! And she takes it up the *pendejo*" he stammered.

Electricity here is very expensive and the price a landlord ultimately is charged is based upon how much his tenants use, so in that sense, my landlord was correct. By sitting in my fridge for all of 12 hours, Maria had probably cost him an extra \$9 dollars in defrosting fees alone.

Furthermore, Edgar insisted, the woman had no written agreement to be on the premises, let alone any sensible reason to set up shop in *his* fridge. As he'd explain to me later over beers and *tlayudas* (high-end tacos), that was the real reason—"as *dueno* (owner) of my apartment"—that he had summoned the *policia* off the street.

Police On My Back

If you have a problem here, you don't call the *policia*. I know from experience. The *policia municipal* generally don't carry firearms and spend most of their time walking around in pairs, occasionally directing traffic or stopping in the local sandwich shop to enjoy a leisurely meal.

Drugs may be cheap down here, but life is even cheaper, thanks to the bloodthirsty cartels.

It wasn't even noon yet and the half dozen or so *policia* were now milling around, becoming louder and bunched up outside my grand front door.

"Why do we have to wait until noon?" one asked in Spanish.

From my restricted view, I only suspected my landlord was out there standing with his legs apart, arms up, pleading with the authorities, while physically trying to keep them from damaging his establishments front door. He was articulating the same falsetto he used when trying to explain why the rent again had to be increased. I heard him explaining that he'd spent thousands of dollars to have the door specially made from a piece of rare and endangered richly roey-grained barcino, imported from Nicaragua.

One officer suggested kicking in the door, but was quickly voted down. Instead, the mob settled for testing it with what sounded like pieces of metal—key chains, screwdrivers, and such.

All in all the excitement was more than very loud. The cacophony of noise coming from the outside was now seriously fouling my mood. I looked around at the "maids" who shared my king-sized bed. Amazingly, they were all sleeping through the entire uproar. I guessed the fuckers had probably gotten into my Klonopin again. There went another 200-peso trip to Guatemala to see my good doctor for another prescription.

"Open the door, friend", said a *policia* in English.

"Fuck!" I screamed through the open window and gnashed teeth. "I have a situation here."

Suddenly, the knocking stopped.

"Sorry," said the *policia*.

saddled up and ready to go. But this morning she had fallen asleep with my cock in her mouth, and was sucking on it as though it were her favorite pacifier.

I wanted to move, but didn't dare. What if I accidentally woke her and she clamped down on my rod like a piece of fishing tackle? Evidently she was in the middle of a dream. Juana was the only woman I knew who woke up in the middle of the night to reapply lipstick.

This wasn't the first time Juana had fallen asleep with my Johnson in her mouth. Honestly, it wasn't even the second or third time. I admired her dedication, but I lived in fear of her dreaming about eating steak.

Then, for the first time, I noticed a curly, redheaded foreigner whom I'd never seen in my life. She apparently was doing some kind of naked aerobics on the floor next to the bed. Her tits were round and white, tiny blue veins crawling underneath the underside of her perfectly shaped B-cup globes.

"Morning, mate," she cheered. "I'll give you another go after lunch say?"

I quickly hushed her and pointed to the dangerous situation down by my crotch.

Apparently, she was Australian.

Then I heard the *policia* heading out through the long front yard. They were obviously retreating given the stifling 100-degree noon heat much to the disappointment of my landlord and his bloated electric bill.

I could feel another woman breathing on my neck. How many fucking women were there in this bed?

Then the knocking started again, but his time I was pretty sure it was my landlord.

"No fucking good," I said to the Aussie.

"No good, mate?" she responded.

"None of this," I said. First a naked girl in my fridge and now this one asleep with my knob in her gob."

"You're a right piece of shit, eh?" quipped the Aussie.

Dick And Jane's Mouth

My new situation involved one of my oldest maids, Juana (Jane). She'd always slept totally naked and on her stomach, which was like having your horse all

My dick was getting hard just thinking about ass-fucking the Kiwi and it was steadily freeing itself from Juana's toothy grin.

That's when I got the idea that I'd be much better protected if I woke Juana up my normal way, with an honest to goodness hard-on.

"Show me your ass," I said to the Aussie.

"What?" she said. "No fucking way, mate!"

"This isn't the fucking Barrier Reef and I'm not Errol Flynn," I said.

"I'm not an Aussie," she replied, a bit insulted. "I'm a right Kiwi."

"And I'm an eggplant and Paul is the walrus. Now show me your ass."

"You're a right freak," she replied. "I'll sort you out later."

Thankfully, it was already working. My dick was getting hard just thinking about ass-fucking the Kiwi and it was steadily freeing itself from Juana's toothy grin. She woke up and spit my penis out like it was a Ghost pepper.

Best of all, my landlord was now nowhere to be found.

Then it hit me like a 100-degee fart in the face.

Somewhere between the Mezcal Fair and my apartment, I had apparently joked with Maria that if she were to refrigerate her ass, it might be more attractive to me than my other maids' backsides. She, no doubt, had taken my suggestion to heart and decided to give it a go.

Later that night I explained this to my landlord.

"These stupid fucking maids," he said. "What kind of foolish woman would think she could cool her ass off by sitting in my refrigerator?"

"Well, say what you want, but it almost worked," I said.

Edgar's eyebrows arched.

Then I went on to describe that amazing feeling of a woman's perfect ass when it's slightly cool to the touch, so firm, almost like winter in Alaska.

Edgar quickly shook his head from side to side. "You fucking gringos are all alike, diseased in the head."

The next day, easily 110-degrees in the shade, I saw Maria sneaking out of my apartment. I called out to her. She was again wearing her high heels and lingerie. I watched silently as she slipped down the hall. I knew where she was headed.

I realized then that it was time to fire my entire staff and hire a new group of wastrels.

Now if you'll excuse me, I have an appointment to interview a handful of gorgeous girls for open positions.

HIGH SOCIETY: Have you ever used sex to get out of trouble?

AVA: I used to do this a lot when I was younger. Now I just use my wits.

HS: Ever gotten a speeding ticket?

AVA: I've gotten a few, but it's been a while.

HS: Ever been arrested?

AVA: Once, for public intoxication in my 20s, but the judge dismissed it. [Laughs]

HS: Ever have sex in your parents' house while they were there?

AVA: It happens. Doesn't everyone do this?

HS: Have you ever been caught having sex? Were you embarrassed or did the idea of getting caught excite you?

AVA: I've been caught several times. It depends on who caught me and where I was. My most embarrassing moment was when I was 18 and my mom walked in on me.

HS: Do you have any tattoos? How many?

AVA: Yes. Seven.

HS: Ever been caught cheating at school?

AVA: I think once.

HS: Ever been caught cheating on a husband or boyfriend?

AVA: A long, long time ago I ran off with a rock star, but I felt guilty and broke up with my boyfriend before I got home.

HS: When was the last time you got really angry?

AVA: Probably while driving. I'm sure I curse out the nicest people when I'm behind the wheel.

HS: What's the naughtiest thing you've ever done sexually?

AVA: I will let my fans decide on that one. We all have different perceptions of what is "naughty." But naughty is fun and I like fun!

HS: Ever masturbated in public?

AVA: Many times. I used to shoot stuff like this all the time for my first website when I was only a girl/girl performer. They were fun to shoot!

HS: Ever have sex with someone you couldn't remember having sex with?

AVA: It happens to the best of us.

HS: Can you describe a funny situation that happened to you or someone else on a porn set?

AVA: I'm super clumsy, so chances are almost everyone I have worked with has seen me trip or fall over something—even my own two feet.

HS: Do you drink alcohol? What's your drink of choice?

AVA: Here and there, but not much. When I do, my go-to drink is a mimosa.

HS: What's your drug of choice if any?

AVA: Nada. Too old for that shit.

HS: Ever had an experience where you said, "This is too much. This is not right. I can never do this again"?

AVA: Maybe in my 20s, but nothing stands out in my mind.

HS: Anything you'd like to say in closing to our readers?

AVA: Sorry I'm not wild and crazy off camera, but keep watching my scenes for sexual shenanigans!

THE ART^{of} ANAL SEX VOL. 3

ALL IMAGES COURTESY OF **TUSHY.COM**

TUSHY.COM TAKES SODOMY SERIOUSLY. THE FIRST TWO VOLUMES OF *THE ART OF ANAL SEX* WERE AWESOME ASS-FUCKING EXTRAVAGANZAS. THE THIRD VOLUME, *THE ART OF ANAL SEX 3*, IS ANOTHER HOMERUN, FEATURING SIZZLING GIRLS WHO KNOW HOW TO HEAT UP THE SCREEN. *THE ART OF ANAL SEX 3* TOSSES IN A CUTE ANAL NEWBIE, OFFERING FOUR SCENES THAT WILL DEFINITELY DRAIN YOUR BALLS DRY!

CHANELL HEART

Chanell confesses that she has the hots for her agent Mick Blue, and she does everything to get him to notice her. She finally goes all in, making a grab for Mick's dick. Mick gladly lets Chanell do what she wants—such as suck his big Euro cock. Chanell and Mick's sexual chemistry is powerful. We love how Chanell takes charge, despite Mick's status as a veteran cocksman. Chanell's oral skills are top notch, and her cock-jockeying talents are equally impressive. When it comes to anal, Chanell takes Mick's meat with style. It's a tight fit at first, but she quickly gets the hang of it and starts riding hard. Chanell gladly takes it in the ass doggy-style as Mick pumps her rump. This rare reverse interracial scene from Tushy.com should seriously be considered for Best Interracial Scene come awards season.

LUNA STAR

Luna plays a cheating wife who can't keep away from her shocked stepson, played by Xander Corvus. Luna gets what she wants, tempting Xander with a sexy lingerie lapdance. Xander can't keep his hands off his sexy Latina stepmom. Luna and Xander really seem to forget about the camera and fuck like rabbits. Luna can take a dick up her ass as well as anyone, and she spreads her willing holes and enjoys an anal pummeling from Xander. Luna's killer body shivers the harder Xander bangs her butt. This is a scene that will leave you satisfied.

AJ APPLGATE

AJ is one of the very best performers in XXX and a certified anal queen. In *The Art of Anal Sex 3*, AJ seduces her boss, played by Christian. She sucks cock in his office after a little foreplay. Her BJ skills are captivating. By the time AJ and Christian work their way to the bedroom, AJ is practically begging for his hard, throbbing meat to invade her apple booty. AJ can take ass-pipe like no one else, and she delivers the goods again in this eye-popping scene. AJ gets her sweet ass screwed and we are all rewarded with stiffer cocks for it.

HOLLY MICHAELS

Holly is at her friend's house and wanders downstairs in her tank top and panties. She confesses she has always liked Christian, and we soon learn Christian has always liked Holly too. Holly takes Christian's big dick

deep down her throat, getting it good and slobbered-up before slipping it in her pink. Christian bangs her savagely, making her cum hard, and then he fucks her ass missionary-style on the kitchen counter. What's for dinner? Rump roast? Holly hasn't lost her

sexual touch, taking it up the ass mish, doggy, and reverse cowgirl. She looks fantastic riding Christian's cock to a hot, orgasmic finish. Holly continues her winning streak of delivering sweltering, DVD-closing anal sex scenes!

COURTNEY PAGE
MILE HIGH CLUB

Colorado native Courtney Page not only hails from the Mile High City of Denver, she's also a member of the Mile High Club! We caught up with the brown-haired, brown-eyed beauty during her afternoon sunbathing session, and she shared her tales of "sex in the skies" with us. "The most memorable time was aboard a private helicopter," Courtney says. "It was fun at first, but then the helicopter really started bouncing around, and I got sick to my stomach. I had to stop in the middle of sex to settle down!" No worries, Courtney—happens to every woman we know!
